## PROFILE

BCA graduate from CHRIST University, pursuing an MSc in Computing (AI) at Dublin City University. Concerning technical skills, leading by example, effective planning, and team coordination, there is a focus on enhancing the capacity to deliver impactful results in IT and software development.

## EDUCATION

**M.Sc in Computing (Artificial Intelligence)** | Dublin City University, Dublin, Ireland (September 2024 - September 2025)

**Bachelor of Computer Applications** | CHRIST University, Bangalore, India (August 2021 - August 2024)

## RELEVANT EXPERIENCE

### Machine Learning Intern December 2023 - April 2024

**Aphelia Innovations** | Delhi, India

- Identifying key issues and primary objectives while establishing 5 goals to ensure effective outcomes.
- Carefully researched quite a few tools, libraries, and frameworks to identify the most suitable options.
- Comprehensively cleaned and pre-processed a decade of historical stock price data and news articles, addressing missing values and considerably reducing outliers.

### Back-end Web Developer June 2022 - May 2023

**Coders Bake** | Ghaziabad, India

- Redesigned websites to enhance navigation and optimize visuals for a better user experience.
- Gathered and refined numerous user requirements, transforming these into project designs and comprehensive implementation plans.
- Designed and developed optimized ReactJS landing pages for seamless integration and cross-browser compatibility.

### IT Technical Operations Lead March 2023 - May 2023

**Upedian** | Ghaziabad, India

- Installed, updated, and repaired diverse software to address technical problems.
- Administered troubleshooting for many computer systems and provided technical support to the entire team for computer operations.
- Coordinated with both the IT teams to resolve advanced computer software and hardware problems.

## OTHER WORK EXPERIENCE

### HR Manager July 2023 - March 2024

**Ekomart** | Ghaziabad, India

- Recruited and Onboarded Social Media Interns: Attracted top candidates and smoothly integrated into the team.
- Fostered a Supportive Environment: Ensured intern well-being through open communication and team-building.
- Developed strong written and verbal skills, allowing clear communication, effective collaboration, and meaningful engagement with varied audiences.

### Machine Learning Intern November 2023 - December 2023

**Mentorness** | Delhi, India

- Managed diverse project tasks, ensuring smooth execution and alignment with overall goals.
- Gained practical experience in real-world Machine Learning applications, deepening understanding of how these technologies address complex industry challenges.
- Facilitated real-world Machine Learning applications, while developing skills and knowledge in the domain.

## VOLUNTEER WORK

### Social Media and Graphic Designer | Happiness Exchange - NGO December 2023 - February 2024

- Implement and design social media promotions such as Posters and banners.
- To create web design options and content creation ideas, while making an effective online presence for the NGO.
